Approval of funding application for the Inclusion Development Fund Subsidy for Immediate/Time Limited Support

I am pleased to advise that a delegate of the Commonwealth Department of Education has made the decision to approve The Grove Academy - Oatley ("You") for funding from the Australian Government's Inclusion Support Program (ISP) Inclusion Development Fund (IDF) Subsidy for Immediate/Time Limited Support. This letter confirms details of the Approval which will also be available in the Inclusion Support Portal (IS Portal), and your Child Care Management Software.

This Approval Letter, together with the Conditions of Funding, make up the agreement between the Commonwealth and You in relation to how the IDF Subsidy, for which you have been approved, will be used. You will be able to claim funding in accordance with this Approval Letter and the Conditions of Funding, as agreed at the time of submitting the application. The Conditions of Funding are attached to this letter for your reference.

Summary of Approval:

1. This approval is for 10 hours per week for 12 weeks to be utilised during the approval period. All educators, including the additional educator, share the work required to support the participation of all children in the care environment. The approval period includes additional weeks to provide flexibility to enable the service to claim all funded weeks. Please note: the number of funded weeks which the service can claim are as stated.
2. It is an approval requirement for the service to complete the Strategic Inclusion Plan (SIP) for this care environment if this has not already been done, or update the Barriers, Strategies and Actions to ensure the inclusion planning reflects the current care environment. This includes the service identifying the Barriers to inclusion for all children and the Strategies and Actions required to address these Barriers.
3. If circumstances change during the approval period and the child no longer attracts Child Care Subsidy (CCS) during the hours that IDF funding is utilised, the service must notify the IDFM by submitting a Change of Circumstance application through the IS Portal or by emailing a Final Review Form.

Acceptance of this approval

You agreed to the Conditions of Funding of the IDF Subsidy under the ISP upon submission of your IDF Subsidy application. When You submit your first claim for the IDF Subsidy for Immediate/Time Limited support, this is considered Your acceptance of the approval as outlined in this approval letter.

If You choose not to accept the Conditions of Funding for this approval please contact the IDF Manager within 10 business days of the start date of the Approval Period.

Acceptance of this approval is limited to 60 days from the start date of the approval period, meaning services must submit a claim for payment within this time. If claims are not submitted within 60 days the case will automatically be withdrawn and no claims can be submitted.

If You have been unable to submit claims due to unexpected circumstances, such as an eligible child not attending the service due to illness during this period, You should make early contact with the IDF Manager to discuss.

Claiming the IDF Subsidy for Immediate/Time Limited Support

Services receive payment for the IDF Subsidy for Immediate/Time Limited support by submitting claims retrospectively through the Child Care Management System. **As a Condition of Funding, You must submit claims within 60 days of the fortnight the eligible child/ren listed on the approved case attended the service (60 day rule).**

When submitting claims, services are required to:

- identify the Additional Educator
- outline the hours the Additional Educator attended the care environment, and
- provide details of the eligible child in the care environment, including their enrolment and attendance information.

If a service does not submit any claims for more than 60 days during the approval period, the IS Case will automatically be inactivated and new claims cannot be submitted. Cases can be reactivated at the agreement of the IDF Manager, and once reactivated, new claims must be submitted according to the 60 day rule. If a service requires their case to be reactivated, they should contact the IDF Manager.

Further information on the 60 day rule is available in the New ISP Guidelines Version 2.4 September 2022. The Program Guidelines are available at www.education.gov.au/child-care-package/inclusion-support-program

Documentary evidence

As outlined in the Conditions of Funding, You must retain evidence of the eligible child/children on the IS Case and the Additional Educator. This includes:

- evidence of the child/children's attendance, such as sign in and sign out sheet with parent signature

- additional educator attendance, such as time sheets signed by the Additional Educator.

Payment of the IDF Subsidy

The IDF Subsidy for Immediate/Time Limited Support is paid directly to You, from the department, to the same bank account You nominated in your application.

Following an approved claim, You will typically receive payment within 4-6 business days, depending your bank.

Payment of claims will occur where the child approved on the IS Case attended the service. Payment of Non Face-to-Face claims will occur without the attendance of the child.

Changes in the care environment

The IDF Subsidy for Immediate/Time Limited Support can only be approved once for a service for the same child.

If You require ongoing support from an Additional Educator to include the child, You should apply for the IDF Subsidy for an Additional Educator.

Please Note: Requests for IDF Subsidy for an Additional Educator must be submitted on the IS Portal a minimum of 4 weeks prior to date the support is required.

Terminating this Approval

By the Service

If You no longer require the Approved IS Case for Immediate/Time Limited support, You must notify the IDF Manager within 10 business days of becoming aware of this. You will be required to provide the date that funding should cease (i.e. the new Case end date) and a reason funding is no longer required.

This will allow funding allocations in the IDF to be managed more effectively and enable funds to be redirected to maximise the support provided to ECEC services through ISP.

By the Commonwealth

If You are found to be in breach of any terms contained in this Approval Letter or the Conditions of Funding, Your approved IS Case may be terminated, future claims may not be able to be submitted and payments may be withheld. You may also be required to repay any amounts You have received whilst in breach. You will receive written notice of any termination. On receipt of a notice of termination, You must take all reasonable steps to minimise loss resulting from that cancellation and You will not be entitled to compensation for loss after the end date specified in the notice of termination.

This includes where it is found that You have provided false or misleading statements in the application. You are reminded that providing false or misleading information is a criminal offence.
